

## ACTIVITY: Mission Directorates Day 2

---

### Directions:

You have been given the challenge to plan a mission using all four of the directorates. Review the Mission Reading and Activity pages as these will help guide you. Think creatively about a future mission using all 4 directorates and discuss your ideas with your group.

### Exploration Systems | Science | Aeronautics | Space Operations

1. Within your groups, assign the leadership roles for each directorate.

---

---

---

---

2. Choose a name for your group's mission:

---

---

3. Write a mission statement:

We will (*study, explore, build, design*)

---

to (*discover, study, collect data, explore*)

---

and (*discover, study, collect data, explore*)

---

in/on (*the moon, a planet, etc.*)

---
